

PRESS RELEASE
NO INCREMENT IN MMT FARES

Metro Mass Transit Ltd., is pleased to inform its cherished passengers that its fares **remain the same** across the country after some transport operators have increased theirs by 15% and above.

MMT still remains Ghana's safest, reliable and affordable means of transport across the length and breadth of the country.

MMT continues to serve the good people of Ghana as its support in helping build **"The Better Ghana Agenda"**

Passengers are advised to always insist on their tickets anytime they board MMT buses.

The general public can call MMT toll free line **0800-10-400** with their complains, enquiries and suggestions and we will gladly assist them.
