

## **METRO MASS TRANSIT CONSOLES COMMUTERS**

Metro Mass Transit Company received with shock the Tema motorway accident on the April 9, 2015, of which about 50 passengers were involved.

Management express regret about the accident and the injuries sustain by the passengers, especially when every step was being taken to address and eliminate accident in the company.

Management is determined to trace the drawbacks resulting in the accident and conduct a full scale investigation to ascertain the cause of the accident.

Management would further want to place on record that, the driver under no circumstance said, “ he tried to park his vehicle to clean the front mirror which was covered with dew because of the downpour since the vehicle’s wipers had failed to work” as reported by Ghanaian Times Friday April 10, 2015 edition.

Metro Mass Transit Ltd, the Nation’s flag post transport Company would like to re-assure its actual and potential commuters that, it is resolute in achieving its number one core value, that is, “Safety our No. 1 Priority”.
