**METRO MASS CONSOLES PASSENGERS**

Metro Mass Transit Company has sent a message of condolence to families of the three passengers who lost their lives during a bus crash along the Nkenkansu - Kumasi road on Wednesday, January 15, 2014.

In the condolence message issued today in Accra, the Management expressed regret about the accident and the injury of others, especially when every step was being taken to address and eliminate the incidence among others in the company.

The Management said it was determined to trace the drawbacks resulting in the accident after conducting a full – scale investigation, especially having averted accidents in four continuous months.

The message informed the public that every effort was being made to tackle the issue of accidents which be – deviled the company in the past, so as to enable passengers travel on its buses in comfort and reliability.

Information reaching Metro Mass indicates that apart from the three deceased passengers, eight others were critically injured.

Metro Mass is in the process of launching a 5 -Year Strategic Plan aimed at improving its operations nation – wide.
